RCAP Solutions honors Allen's 26 years of service

DEVENS— Marking a career of assisting those in need which has spanned more than two decades, RCAP Solutions Inc. honored Carl H. Allen Jr., vice president of client resources, for his 26 years of service with a reception June 9, at the Devens Common Center.

The event brought together more than 100 guests from state and local government, nonprofit agencies, associations, current and past RCAP Solutions employees, as well as family and friends.

The evening began with Karen A. Koller, president and CEO, reading a letter of congratulation from Sen. Edward M. Kennedy. "There is no greater testament to your exceptional dedication and commitment to all those RCAP Solutions services than the critical role you have played in ensuring its ability to develop and maintain safe and affordable housing," his letter stated.

Citations from U.S. Rep John T. Oliver, state Sen. Stephen M. Brewer and state Rep. Jennifer L. Flanagan were presented. Keynote speaker Julia Kehoe, commissioner of the Department of Transitional Assistance, noted Mr. Allen's contribution to housing public policy and valuable knowledge he has shared with all that have had the privilege to come in contact with him.

RCAP Solutions, with offices in Gardner and Worcester, is a comprehensive nonprofit community development corporation whose mission is to foster personal and public self-reliance and improve the quality of life to individuals, families and the communities in which they live.

RCAP Solutions provides services on a competitive fee-for-service basis. It also helps communities apply for and receive government and private sector grants and contracts, and may provide some services at no charge to qualified communities with funds available through government and private grants and contracts

which it administers.
